

Call List — SB 1116 / SB 1090 (Housing committees)

Altadena Recovery Watch · calls + web contact forms work best — most legislators' email addresses aren't public mailboxes. Advocacy material, not legal advice.

What to say (30 seconds)

"Hi, I'm an Altadena resident calling about SB 1116 and SB 1090. After the Eaton Fire, speculators are using SB 1123 to subdivide our burned lots into up to 10 units each, with no public hearing. I'm asking the member to **carve the Eaton Fire disaster area out of SB 1116** and to **support SB 1090** — we're not trying to block housing statewide, just to let Altadena recover first. Thank you."

Phone calls count most. If you reach voicemail, leave the message above with your name and ZIP. You can also use each member's **contact form** (linked below).
